

We are opposed to the attempt by the Consumer Bankers Association attempt to impose the federal "established business relationship" exemption on Indiana consumers. We are tired of unknown callers, especially 952-941-4485 (over 32 in a 9-week period)! Please deny this attempt to weaken Indiana's law and further invade our privacy. Its bad enough to have to put all those blockage programs on our computer, without having to now possible contend with further invasion via our telephone.

Thank you,
Craig H. Ritchie
